MUSINGS FROM THE DG

This week I attended my last official visit. It seems like only yesterday that I started my journey of visiting all the clubs in our district. I have to say that I have had a ball. It has been the highlight of my year so far. Thank you to everyone for your kind hospitality, and for sharing all that you do in your communities in the name of Rotary and the many things you do because you have big hearts.

Monday, I visited President Peter Paff at Sawtell. I can honestly say that the weather was not kind. At least there was daylight on the way to the club, which was not the case for the return. The deafening roar from the wind and the sea, not to mention the horizontal rain made for a trying drive home. The welcome at the club was warm and friendly and all the members turned up despite the weather. I have to say that past comment has been that members don't bother for the District Governors visit. This has not been the case for the past five months. I was treated to a three course Christmas meal, which was amazing. So thank you to the members of the Sawtell club for that. Thanks also to Ros (secretary) for taking all the wonderful photos. The club is involved with the Pride of Workmanship awards, that recognises the 'face' of businesses in town. They also facilitate the Australia Day BBQ's, Sawtell Funday, support Shelterbox and provide books for the Primary Schools. They received a district grant in support of a sensory garden at the local hospital. The club is involved with providing AED's for the local community and hold Trivia nights to help fundraise for the club projects. They are passionate about support the renal dialysis unit of the hospital also. On the night I presented badges for two members inducted the previous club meeting and inducted two new members who moved from Armidale. Welcome to Rotary Ray and Liz Clayton, and welcome to the Rotary Club of Sawtell Gerry and Mary De Gabrielle. Congratulations to Lyn Hollyman who was voted the best mother Christmas and received a bouquet of flowers. I was entertained by husband Past President Warren Hollyman during the evening, who dressed for the occasion as a Christmas Dame Edna wearing a Christmas tree. Everyone entered the spirit of the evening and had a good time.

Wednesday I was back at my own club for their xmas function. I am fast becoming a regular again. It was a big turnout with plenty of guests and everyone enjoyed the festive occasion. Some photos are included in the E News.

The week wrapped up with our monthly conference meeting. I am happy to say that things are coming together nicely. Let's hope we can get this COVID under control and keep it there, until vaccines are available to all of us.

Please always check and be sure that Rotary branding is used in a correct and consistent way while sharing materials in this Facebook group and other platforms / communication channels. Keep in mind that even good intentions are watering down Rotary brand if not used correctly. Refresh your knowledge by taking Our Logo: Representing Rotary course at Rotary Learning Center

SAME SAME BUT DIFFERENT?

Have you ever wondered whether you are on a different planet to others when communicating. Well as parents I guess we have all thought at some stage that we were not speaking the same language as our teenage offspring. Here's a light hearted look at our expectations in respect of meetings and others from a different generation!

LAST CHANCE FOR GREAT FUNDRAISER

The Rotary Club of Kempsey West are asking for your help to raise much needed funds to support community projects in the Macleay Valley. This year, with COVID-19 limiting our ability to raise funds in a traditional way, our club has decided to run our first online raffle with some amazing prizes.

The 2019/20 Macleay Valley Bushfires burnt for approximately 8 weeks destroying 66 HOMES, 3 PUBLIC FACILITIES and 170 OUTBUILDINGS. They also damaged a further 100 structures throughout the upper macleay.

Almost 12 months on from the fires starting, many residents are still living in tents, caravans and other temporary accommodation. Your ticket purchase will not only give you a chance to win fantastic prizes, but it will help us fund some very important community projects in these areas and bring normality back to these devastated communities.

All that we ask is that you please forward this email on to your club members or friends and family, and ask that they might consider buying a ticket or two.

Please go to <https://www.kempseywestrotary.org/raffle> for more information and to buy tickets.

HIGHLIGHTING CLUB PROJECTS

I have permission from DG Debbie to proceed with that project started by an Armidale Rotarian last year.

I will be putting together a document that showcases each Club's Signature Community Project/Activity. There will be one page per club in our District.

This will contain some information about the project, plus also what other other community activities each club normally does in their town.

The document was going to be a reference document for clubs looking for ideas for projects. Now it will be a celebration of what Rotary has achieved in our District in the first 100 years of Rotary in Australia!

Please see attached document to this week's e-newsletter!
